Trade sectors and products

26-27 November 2026 | Fiera del Levante - Bari Fairgrounds

To be sent back with the application form indicating your products sectors' codes

TUNNELLING AND UNDERGROUND WORKS SECTOR	
A	Materials and new technologies
A100	Additives
A101	Setting accelerators
A102	Concrete additives
A103	Steel fibres
A104	Polymer fibres
A105	Geotextiles
A106	Greases and oils for TBMs
A107	Waterproofing products
A108	Waterproofing membranes
A109	Products for tunnels
A110	Ground conditioning products for TBMs
A111	Final concrete lining
A112	Self-healing materials
A113	Fire protection Systems and materials
B	Equipment
B100	Tunnel equipment
B101	Rock bolts and soil nails
B102	Underground loaders and dumpers
B103	Moulds
B104	Steel ribs
B105	Copressors
B106	Cutterheads, excavation tools, rollers, disc cutters
B107	Demolition and crushing equipment
B108	Noise abatement systems
B109	Vapour, fume and odour extraction systems
B110	Plant and equipment safety systems
B111	Excavators
B112	Explosives and blasting equipment
B113	Extensometers
B114	Dust-retaining filters
B115	TBM supply (EPB, Slurry, Hard Rock)
B116	Tunnel roadheaders
B117	Grouting and injections
B118	Concrete batching plants
B119	Aggregate crushing plants
B120	Inclinometers
B121	Tunnel machinery
B122	Shotcrete machines/pumps
B123	Evacuation vehicles
B124	Micropiles
B125	Conveyor belts
B126	Piezometers
B127	Steel meshes and ground support systems
B128	Spare parts for tunnel machinery
B129	Laser scanning surveys and GPR
B130	Precast concrete segments (lining)
B131	Back-up systems (conveyors, piping, ventilation)
B132	Structural and geotechnical monitoring systems
B133	Instrumentation
B134	Monitoring instrumentation
B135	Electric tools
B136	Pneumatic tools
B137	Tunnel wagons
B138	Limited access point vehicle detection - Bollards
C	Technologies for applications
C100	PPE for confined environments

C101	Artificial ground freezing
C102	Permanent lighting
C103	Fire-fighting systems and smoke detection
C104	Safety systems (escape routes, fire-rated doors)
C105	Hydraulic systems (lifting, drainage)
C106	Cementitious and chemical injections
C107	Jet grouting
C108	Fire Doors REI
C109	Drainage systems
C110	Excavated soil and rock management systems
C111	Temporary ventilation systems
C112	Geotechnical investigations
C113	Main and emergency ventilation
C114	Escape routes
C115	Tunnel Coating, Road Markings and Signage
D	Services
D100	BIM
D101	Software
D102	Construction and project management
D103	General construction contractors
D104	Specialist contractors
D105	Laboratories
D106	Material testing laboratories and equipment
D107	Numerical modelling (FEM)
D108	Web portals
D109	Geotechnical and structural design
D110	Certification companies
D111	Engineering companies
E	Rental
E100	Machinery and equipment rental company
E101	Small equipment rental company
E102	Service companies
F	Trade press (Online and Offline)
F100	Specialist technical publishers
F101	Information and dissemination media
F102	Online publishing products
F103	Technical publications and trade journals
G	Institutions, bodies, companies and technical and specialist service providers
G100	Public Administration
G101	Contracting Authorities, motorway operators
G102	Trade associations
G103	Engineering
G104	Certification
G105	Consultancies
G106	Quality control
G107	Environmental management
G108	Research institutes
G109	Service companies and software and hardware consultancies
G110	Universities
G111	Territorial mapping, detection and network digitation
G112	Planning and/or construction management
G113	Mechanical design
G114	Civil works testing and inspection
G115	Surveying
G116	Engineering services
G117	Geognostic surveys
G118	Worksite safety coordination services
H	MISCELLANEA
H100	Please specify _____
